FROM THE PRESIDENT'S DESK:

Hi All, I hope this newsletter finds you all doing well. I'll start by saying I am a little somber on one hand and a little happy on the other. The somberness comes into play when I see people work so hard for the club and feel their efforts were for nothing. I am somber because we have lost so many good exhibitors in this state over the last 2 years for silly and petty things. I am somber because so many people take things to heart when a simple definition or question could resolve an issue that has become out of control. Very many friendships have been lost over the last couple years due to many petty issues. It is time to place the differences aside and move on.

Now on the other hand I am very gratified to all the people who have stayed true to the LRBA and continue to fight to keep the club running. While so many out there want the club to go under, you guys are the ones fighting daily doing everything you can looking beyond the non-sense to keep moving forward. I was always told to "always go forward and never go backwards". With the state meeting coming upon us in March, I challenge everyone to look past all the mockery and get things back to the way it was. We have many items on the agenda to discuss. We have so many good exhibitors out there in La. We have been divided for a long time and it is time to come together and become a unit again. Several of our local clubs have put on great shows this years, a big thanks to you guy's. Memorial Day Weekend show is coming up, we

have a great judges lineup. I ask all to please attend and support the LRBA wherever you feel you can be valuable. A little help and appreciation goes a long way. As always, if I can do anything to help any of you, my phone is always on.

God Bless and have a wonderful day!!!!

Doug Girard

FROM THE SECRETARY/TREASURER:

The annual meeting will be here before we know it. I hope you are all planning to attend and take part in not only planning our upcoming events but also stepping up to help in some way with the club. There are many positions to be decided upon at the meeting from President to Historian. Have you ever stopped to think what would happen if absolutely no one stepped up for these positions? After the last few years, it could at some point become a reality. Just something for us all to ponder!! If you are interested in possibly taking a position, please take the time to know exactly what would be expected of you and express your interest at the meeting.

Thank you to everyone who has stepped up and helped at our events this year. It is greatly appreciated.

Just a reminder that club affiliations are due by March 1st. I've received affiliations from: Tiny Town RC, Tri Parish Dutch Club, South Miss. RBA, South Louisiana RBA, Bonne Terre RBA, La. Mini Rex RC, Central La. RBA.

Welcome to New Members:

William Wynn
